Dawn Bartolini ~ Age 48 . . . feeling more like in her 20's !

Today, I am down 115 pounds and its hard for people to believe that I was once THAT PERSON in the BEFORE pictures. I think my proudest achievement is that I have helped 7 people reach the 100-pounds down club. The prosperity that comes with sharing these products freed me up to do what I really love . . . encouraging and inspiring others.
