

This is My ISAGENIX Weight Loss Story

My name is Raquel. I am a mother of two . . . 4 and 14 years old . . . and I am a hairdresser and also an aesthetician by profession and owner of my own salon.

One of my clients approached me and introduced me to the Isagenix Cleansing System. I was very sceptical about the product at first because of my previous experiences with diet programs. It took a month to convince me to start the Cleansing and Fat-Burning Program.

I started my first 9-Day cycle and I was so happy. I lost 9 pounds that I was not able to do in my previous diet program. I did 4 more cycles in 2 months plus the Maintenance Program and I was so happy with the tremendous results. I lost an additional 30 pounds and 6 inches off my waist. **I lost a total of 39 pounds and I feel wonderful.** I used to wear a size 16 . . . and now I am wearing size 10.

Joining Isagenix changed my life. I'm so happy and have lots of energy . . . plus all the business success. I have helped lots of people using this Isagenix program. Cleansing and losing weight and helping them and me make good business and extra money to spend.

I have been in the Skin Care Networking business for 10 years and Isagenix has changed my life completely. Helping and changing life for my client, friends, relatives on their health's and their finances is great.

My 4 year-old daughter kept telling me that I am fat . . . and now she says all the time . . . Mommy - you are so sexy ! She is proud of me and I'm very happy for that.

Thanks so much to Isagenix, to my upline and the entire Team for their wonderful support.
