

## New Yorker Revitalizes Her Life . . . With Isagenix !

My name is LeeAnn Jackson and I presently live in New York near to a place many Baby Boomers know as Woodstock.

In January of 2003, I found myself in a very challenging position . . . broken-hearted and broke ! I went from a two income family to a one income household – and very close to losing my home and my car.

Prior to this time, I had been involved with various Network Marketing companies, the most recent being a company that I had been loyal to for 8 years. Although I had been consuming what many hailed as some of the best nutritionals available - I was feeling tired, stressed, overweight, and depressed.

Realizing that it was necessary for me to make some serious lifestyle changes, I set out to find a safe, effective, nutritionally-balanced product that could assist me in, at the very least, getting back to a healthy weight. What I found in my search was a company with a pretty powerful sounding name called “Isagenix” and what I now call **“the tip of a lifetime”**.

In prior months, a longtime friend had mentioned to me that a mutual friend of ours had become involved with Isagenix. I knew this person to be one who was focused on creating extraordinary wealth - and I also knew him to be very knowledgeable in the area of nutrition - so I had a feeling he was onto something special.

In that light, I looked closer into Isagenix. What I found was something to be very excited about. I found an amazing product that would assist me in getting the unhealthy and unwanted Fat off my body - and ***because Isagenix is a Body CLEANSE . . . NOT A DIET . . .*** I have been able to release a multitude of impurities from my body ! This “cleansing” has beneficially affected my sleeping and my mental focus, as well as my stress levels - in many significant ways.

*I feel better than I have in years ! I released 8 pounds in just 9 days and then went on to release another 4 pounds on the Isagenix Maintenance Program.*

As I **“Cleansed”** my body, I couldn’t help but tell everyone I know about this amazing science-nature based system. Although I knew I was risking my sole income with another company, I just HAD TO SHARE the awesome benefits of these products - because I would have wanted ANYONE to have shared them with me ! ***And . . . in fact, I did lose my check !***

Many Top Leaders of this industry have joined us – and more continue to do so - identifying Isagenix as THE place to be - the company that is breaking many industry records – and taking off like a rocket ship.

Thanks to My Isagenix Team . . . I have already created a serious 6-figure income - the income of Presidents and CEOs. My Finances have been **“Replenished” like never before**. My life is Amazing ! **On September 29, 2003, I moved back into my home - which 6 months prior seemed an impossibility.**

***A REVITALIZED LIFE ? You Bet ! Thanks to God for Isagenix and the Empowered People Team !***

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
