HELLO! My name is Debbie Moore !

Isagenix is My Miracle for Life !

I live in Quarryville, Pennsylvania, and I am employed by Genesis Health Ventures in Kennett Square, Pennsylvania as an Information Technology Computer Professional. I have spent most of my life fighting the "battle of the bulge".

When I passed forty, I found myself gaining weight even more quickly, especially around my mid section! My Mom called it "middle age spread" and told me it was just my age.

I tried every diet from Cabbage Soup to Atkins and nothing worked ! I bought exercise equipment in hopes that would help but I couldn't find the energy to climb on and use it! Weight Watchers looked appealing but quickly turned into another dead-end.

My depression and negativity about myself was growing and starting to cause problems in my marriage. My constant fatigue caused me to feel tired, hopeless and **FAT !**

Sunday, April 24th, 2003, little did I know my life was about to change !

Friends from Delaware came to visit. I noticed there was a big difference in the way they looked! They both had lost a lot of weight! Anne lost 15 pounds and 21 inches and her husband Terry lost 20 pounds with Isagenix. As they were getting ready to leave I inquired as to how they accomplished this feat! I was instructed to check out their Isagenix website. As they drove out the driveway, I hurried to my computer, found their Isagenix website, signed up as an Associate and ordered my first Starter Cycle Pak!

May 5th, I started my Isagenix 9 day cycle . . .

After 24 hours I stepped on the scale and found I lost 5 pounds! I got off the scale and checked it for accuracy! I then quickly took my measurements and discovered I lost 7.5 inches! This was truly a miracle! The next 24 hours were just as remarkable! I dropped 4 more pounds and an additional 7.75 inches! I also noticed that I wasn't TIRED! I had a new feeling of energy that was unknown to me. As I bent down to pick up my husbands socks, which are awaiting me on the floor every day (haha) I realized I had no PAIN !

I have completed my first 9 day cycle . . . "Guess what Mom, middle age spread is now a choice" ! My husband is thrilled for me and is finding very nice ways to show it. My results have been phenomenal!

**In 9 DAYS . . . I LOST 14 Pounds and 27 Inches !
In 33 DAYS . . . I LOST 23 Pounds and 39 Inches !**

Thank You ISAGENIX for my new LIFE ! Thank you God for bringing this Miracle of Life to my door !

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight or exercise program.
