

## This Is My Isagenix "Cleanse" ~ and \$\$\$ Success Story

**... 4 Years Later ...**

Hi Everyone! 4 years ago, my husband Dan and I discovered ISAGENIX. We called it LIQUID GOLD back then and we still do now. We are avid athletes and always strive for complete fitness and we used to work out hard **all the time**. Since discovering Isagenix, we train at a more reasonable level to maintain our fitness goals. We were always trying to lose that last 5 lbs of body fat, but our bodies resisted ~ no matter what we tried. Running and cycling farther, eating less ~ nothing worked. We did the 9-Day Cleanse program 4 years ago and had incredible results. I lost 13 lbs and 14 inches total in the 9-Day and Dan lost 15 lbs in two 9-Day systems and over 3 inches off his waist. **It was like a miracle**. We have been using all the Isagenix products now for over 4 years and we are still maintaining our incredible health and lean bodies. **We retain our muscle and keep the fat off**. The products are amazing.

We have also incorporated IONIX SUPREME ~ the outstanding Anti-Stress Rejuvenator ~ into our program. IONIX has enhanced our athletics ~ and overall well-being. We both have tons of Energy and way more strength and endurance than before. With Isagenix, **we feel we have turned back the clock TEN years**. This program is Natural, Safe, Effective and Fast.

**4 YEARS LATER . . . I bought my Isagenix dream car ~ a Mercedes hardtop convertible sports car.** . . . and OUR Mission is still going. We have helped so many people to get Healthy and discover for themselves what an incredible company Isagenix is. So now we are helping people to get Wealthy too.

On March 1, 2006, when I returned from a 2 week vacation in the Caribbean ~ I handed in my resignation after working for the State of Washington for 22 years. YES ~ I fired my boss. He had tears in his eyes and so did I . . . but **my tears were tears of joy**.

This is all possible because of our Isagenix Support Team and Family ~ and most importantly ~ my wonderful husband Dan. He encouraged me to resign and go after what we really love ~Isagenix. He picked me up in a limousine on my last day of work and took my co-workers and friends out to celebrate **my choice for freedom**. My real passion is Isagenix and helping others to become healthier and wealthier and because of that ~ **my Isagenix income \$\$\$** has now completely replaced ~ and actually surpassed my State job salary.

Life has been an incredible ride since joining Isagenix over 4 years ago. Dan and I are so unbelievably grateful for this company ~ and everyone who has contributed to our Dream.
