The specific market values are calculated using the Foreign Exchange Multiplier. To calculate your market's equivalent, simply multiply the U.S. amount shown by the applicable Foreign Exchange Multiplier for that specific market. This value is subject to change every quarter based on published exchange rates and will be valid for the following quarter.

*Open to all Associates, regardless of rank. This promotion is available in the U.S., Canada, and Puerto Rico only and ends August 13, 2017. New Associates must join on Autoship and order a qualifying pak at the time of initial enrollment. Associates must be enrolled in the same commission week.

**Once you reach your second new Associate in a week who signs up on Autoship and purchases a qualifying pak, all new Associates that same commission week will count toward the double PIB (including the first two new Associates during that commission week). If a new Associate purchases more than one qualifying pak, the double PIB will only count on one pak. Limit one double PIB per new Associate enrolled.

†A commission week begins at midnight Monday ET and runs through the following Sunday at 11:59 p.m.
